Queen Bees and Wannabes, 3rd Edition - Rosalind Wiseman - 2016-07-06

“My daughter used to be so wonderful. Now I can barely stand her and she won’t tell me anything. How can I find out what’s going on?” “There’s a clique in my daughter’s grade that’s making her life miserable. She doesn’t want to go to school anymore. Her own supposed friends are turning on her, and she’s too afraid to do anything.” What can I do? Welcome to the wonderful world of your daughter’s adolescence. A world in which she comes to school one day to find that her friends have suddenly decided that she no longer belongs. Or she’s teased mercilessly for wearing the wrong outfit or having the wrong friend. Or branded with a reputation she can’t shake. Or perhaps your daughter’s friendships are the key to enduring adolescence—as well as the biggest threat to her well-being. In her groundbreaking book, Queen Bees and Wannabes, Empower cofounder Rosalind Wiseman takes you inside the secret world of girls’ friendships. Wiseman has spent more than a decade listening to thousands of girls talk about the powerful role cliques play in shaping who they want to date, their social life, and their self-esteem. In this candid, insightful book, she discusses each role in the clique: Queen Bees, Wannabes, Messengers, Bankers, Targets, Torn Bystanders, and more. She discusses girls’ power plays, from birthday invites to cafeteria seating arrangements...
