The Shahnameh or Shahnama (Persian: [ˈʃaːhnom̩a]; , also romanized as Shāhnāma, Shāhnāma, or Shāh-nāma; ] is a 10th-century epic poem written by the Persian poet Ferdowsi for Sultan Mahmud of Ghazni between c. 977 and 1005 that is the national epic of Greater Iran. Consisting of some 56,800 “mashkar” or couplets (two-line verses), the Shahnama is one of the most important works in Persian literary history. The Shahnameh is a masterpiece of premodern Persian literature, and its central themes are the glorification of the Persian past, the glorification of the kingship, and the celebration of the principle of justice. The author, the Persian poet Ferdowsi, was commissioned by Sultan Mahmud of Ghazni to compile a Persian history of the Persian Empire in 10th-century Persia, based on older oral traditions and earlier texts.

Mary Wolstonecroft (Stanford Encyclopedia of Philosophy) Apr 16, 2008: But to seek only to vindicate the rights of men, as Price had done, was insufficient and misconceived, according to Wolstonecroft. One sought a truly moral society, the family had to change, and this, in turn, required a complete transformation in the nature of the relationship between men and women and between, and within, marriage (Bottig 2006).

Oxygen - Encyclopedia Britannica | Britannica Oxygen, a colorless, odorless, tasteless gas essential to living organisms, being taken up by animals, which convert it to carbon dioxide; plants, in turn, utilize carbon dioxide as a source of carbon and return the oxygen to the atmosphere. Oxygen forms compounds by reaction with practically any other element.

Macat - World History Encyclopedia Sep 11, 2012: Macat (pronounced mack-at) is the ancient Egyptian goddess of truth, justice, harmony, and balance (a concept known as maat in Egyptian) who first appears during the period known as the Old Kingdom (c. 2613 - 2181 BCE) but no doubt existed in some form earlier. She is depicted as anthropomorphic form as a winged woman, often in profile with an ostrich ...
