The Last Flower - James Thurber - 19??

The Fifteenth Minute - Sarina Bowen - 2015-10-13

Freshman Lianne Challice is known to millions of fans as Princess Vindi. But sometimes a silver screen sorceress just wants to hang up her wand, tell her manager to shove it, and become a normal college student. Too bad that's harder than it looks. She's never lived a normal life. She hasn't been to school since kindergarten. And getting close to anyone is just too risky -- the last boy she kissed sold the story to a British tabloid. But she can't resist trying to get close to Daniel "DJ" Trevi, the hot, broody guy who spins tunes for hockey games in the arena. Something's haunting his dark eyes, and she needs to know more. DJ's genius is for expressing the mood of the crowd with a ten second song snippet. With just a click and a fade, he can spread hope, pathos or elation among six thousand screaming fans. Too bad his college career is about to experience the same quick fade-out as one of his songs. He can't get close to Lianne, and he can't tell her why. And the fact that she seems to like him at all? Incredible.

Send Down the Rain - Charles Martin - 2018-05-08

Can two people brought together by desperate circumstances help one another heal, and maybe even begin a new life? New York Times bestselling author Charles Martin’s Send Down the Rain answers the questions of what it means—and what level of sacrifice it takes—to truly love someone. Allie is still recovering from the loss of her family’s beloved waterfront restaurant on Florida’s Gulf Coast when she loses her second husband to a terrifying highway accident. Devastated and losing hope, she shudders to contemplate the future—until a cherished person from her past returns. Joseph has been adrift for many years, wounded in both body and spirit and unable to come to terms with the trauma of his Vietnam War experiences. Just as he resolves to abandon his search for peace and live alone in a remote cabin in the Carolina mountains, he discovers a mother and her two small children lost in the forest. A man of character and strength, he instinctively steps in to help them get back to their home in Florida. There he will return to his own hometown—and witness the accident that launches a bittersweet reunion with his childhood sweetheart, Allie. When Joseph offers to help Allie rebuild her restaurant, it seems the flame may reignite—until a forty-five-year-old secret begins to emerge, threatening to destroy all hope for their second chance at love. Send Down the Rain will take you on a journey that spans the sweltering migrant worker routes of south Florida, muddy battlefields of Vietnam, thickets of northwest North Carolina, and the idyllic shores of America’s most beautiful beach (Cape San Blas). At the story’s center lies the question: What does it mean—and what level of sacrifice does it take—to truly love someone? Praise for Send Down the Rain: “Charles Martin understands the power of story and he uses it to alter the souls and lives of both his characters and his readers.”—Patti Callahan Henry, New York Times bestselling author Full-length, stand-alone novel Includes discussion questions for book clubs Also by bestselling author Charles Martin: The Mountain Between Us, Chasing Fireflies, When Crickets Cry, and The Letter Keeper

The Mark and the Void is Paul Murray's madcap new novel of institutional folly, following the success of his wildly original breakout hit, Skippy Dies. While marooned at his banking job in the bewilderingly damp and insular realm known as Ireland, Claude Martingale is approached by a down-on-his-luck author, Paul, looking for his next great subject. Claude finds that his life gets steadily more exciting under Paul's fictionalizing influence; he even falls in love with a beautiful waitress. But Paul's plan is not what it seems—and neither is Claude's employer, the Investment Bank of Torabundo, which swells through dodgy takeovers and derivatives trading until—well, you can probably guess how that shakes out. The Mark and the Void is the funniest novel ever written about the recent financial crisis, and a stirring examination of the deceptions carried out in the names of art and commerce.

Propaganda and Public Relations in Military Recruitment - Brendan Maartens - 2020-11-20

This book represents the first international investigation of military recruitment advertising, public relations and propaganda. Comprised of eleven case studies that explore mobilisation work in Africa, the Americas, Asia and Europe, it covers more than a hundred years of recent history, with chapters on the First and Second World Wars, the Cold War, and the present day. The book explores such promotion in countries both large and small, and in times of both war and peace, with readers gaining an insight into the different strategies and tactics used to motivate men, women and occasionally even children to serve and fight in many parts of the world. Readers will also learn about the crucial but little-known role of commercial advertising, public relations and media professionals in the production and distribution of recruitment promotion. This book, the first of its kind to be published, will explore that role, and in the process address two questions that are central to studies of media and conflict: how do militaries encourage civilians to join up, and are they successful in doing so? It is a multi-disciplinary project intended for a diverse academic audience, including postgraduate students exploring aspects of war, propaganda and public opinion, and researchers working across the domains of history, communications studies, conflict studies, psychology, and philosophy.

Yvonne Ridley's terrifying 10 day detainment by the Taliban regime in Afghanistan struck a chord that continues to resonate around the world. At a time when the world was plunged into a state of unprecedented chaos and uncertainty following the terrorist atrocities in the US, Yvonne faced the ordeal of her life. Captured by the Taliban as she attempted to cross the Afghan border to report on the outbreak of war for the Sunday Express, Yvonne found her life hanging in the balance in the hands of the most reviled regime in the world. For Yvonne, an unexpected survival instinct kicked in that saw her face her captors not with fear, but with anger. Her courage and gutsiness, and that of her family, prompted the Taliban to release her, glad to be rid of such a so-called 'difficult' woman. This is Yvonne's full, true story. From her capture, to the ordeal she endured at the hands of the Taliban, to her eventual release; she offers a unique perspective into a way of life that remains a mystery to many. The Cook's Illustrated Cookbook - Cook's Illustrated - 2011-10-01

The ultimate recipe resource: an indispensable treasury of more than 2,000 foolproof recipes and 150 test kitchen discoveries from the pages of Cook's Illustrated magazine. There is a lot to know about cooking, more than can be learned in a lifetime, and for the last 20 years we have been eager to share our discoveries with you, our friends and readers. The Cook's Illustrated Cookbook represents the fruit of that labor. It contains 2,000 recipes, representing almost our entire repertoire. Looking back over this work as we edited this volume, we were reminded of some of our greatest hits, from Foolproof Pie Dough (we add vodka for an easy-to-roll-out but flaky crust), innumerable recipes based on brining and salting meats (our Brined Thanksgiving Turkey in 1993 launched a nationwide trend), Slow-Roasted Beef (we salt a roast a day in advance and then use a very low oven to promote a tender, juicy result), Poached Salmon (a very shallow poaching liquid steams the fish instead of simmering it in water and robbing it of flavor), and the Ultimate Chocolate Chip Cookies (we brown the butter for better flavor). Our editors handpicked more than 2,000 recipes from the pages of the magazine to form this wide-ranging compendium of our greatest hits. More than just a great collection of foolproof recipes, The Cook's Illustrated Cookbook is also an authoritative cooking reference with clear hand-drawn illustrations for preparing the perfect omelet, carving a turkey, removing meat from lobsters, frosting a layer cake, shaping sandwich bread, and more. 150 test kitchen tips throughout the book solve real home-cooking problems such as how to revive tired herbs, why you shouldn't buy trimmed leeks, what you need to know about freezing and thawing chicken, when to rinse rice, and the best method for seasoning cast-iron (you can even run it through the dishwasher). An essential collection for fans of Cook's Illustrated (and any discerning cook), The Cook's Illustrated Cookbook will keep you cooking for a lifetime - and guarantees impeccable results.

INTELLYJELLY- Junior_Jul'20 edition. - Animesh Tiwari -

A few days ago, Mystery Minder Mia was sitting alone, pondering over the strange incidents happening in her school. Her mother entered and was puzzled to see Mia this way. 'You look worried,' said her mother, concerned. Mia blurted out, 'I was just thinking about who could be behind all the strange happenings at school. For the first time, I do not know how to solve this mystery and it is frustrating.' 'Since when have you started looking at things emotionally rather than logically, Mia,' replied her mother calmly. 'Try looking at the situation from the standpoint of logic and reason rather than from what your heart tells you. Maybe that would help.' RESILIENCE WORKS BETTER WHEN ONE LEARNS TO INTEGRATE EMOTIONS WITH LOGIC- The way Mia does in the story of this month. Her logical bent of mind helps her join the dots and catch the culprits.

Awareness - Osho - 2007-04-01

One of the greatest spiritual teachers of the twentieth century will help you learn how to live in the present moment in Awareness: The Key to Living in Balance. Underlying all meditation techniques, including martial arts—and in fact underlying all great athletic performances—is a quality of being awake and present to the moment, a quality that Osho calls awareness. Once we can identify and understand what this quality of awareness is, we have the key to self-mastery in virtually every area of our lives. According to great masters like Lao Tzu or Buddha, most of us move through our lives like sleepwalkers. Never really present in what we are doing, never fully alert to our environment, and not even aware of what motivates us to do and say the things we do. At the same time, all of us have experienced moments of awareness—or awakening, to use another—in extraordinary circumstances. On the road, in a sudden and unexpected accident, time seems to stop and one is suddenly aware of every movement, every sound, every thought. Or in moments that touch us deeply—welcoming a new baby into the world for the first time, or being with someone at the moment of death. Awareness, says Osho, is the key to being self-directed, centered, and free in every aspect of our lives. In this book, Osho teaches how to live life more attentively, mindfully, and meditatively, with love, caring and consciousness. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the Sunday Times of London as one of the “1000 Makers of the 20th Century” and by Sunday Mid-Day (India) as one of the ten people—along with Gandhi, Nehru, and Buddha—who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.

Jesus Calling - Sarah Young - 2013-01-09

In this new and beautiful edition designed specifically for women, missionary Sarah Young brings uniquely inspired devotions for every day of the year. After many years of writing in her prayer journal, missionary Sarah Young decided to listen to God with pen in hand, writing down whatever she believed He was saying to her. It was awkward at first, but gradually her journaling changed from monologue to dialogue. She knew her writings were not inspired as Scripture is, but journaling helped her grow closer to God. Others were blessed as she shared her writings, until people all over the world were using her messages. These devotions are written from Jesus' point of view, thus the title Jesus Calling. It is Sarah's fervent prayer that our Savior may bless readers with His presence and His peace in ever deeper measure. This new edition, created in a lovely package for women, will help more readers discover the incredible peace found in the presence of Jesus.

Happiness Unlimited - Sister Shivani - 2019

In these enlightening and eye-opening conversations, the renowned spiritual mentor, Sister BK Shivani reveals how to create a life of joy, contentment and bliss, because we all have the choice and the power to do so. Helping us choose our thoughts and feelings aligned with our true nature of purity, peace and love. To make us shift from asking to sharing; from holding on to letting go; from expectations to acceptance; from the past and the future to being in the now. Happiness is a ‘decision’, not a ‘consequence’.

Edible Insects - Arnold van Huis - 2013

Edible insects have always been a part of human diets, but in some societies there remains a degree of disdain and disgust for their consumption. Insects offer a significant opportunity to merge traditional knowledge and

modern science to improve human food security worldwide. This publication describes the contribution of insects to food security and examines future prospects for raising insects at a commercial scale to improve food and feed production, diversify diets, and support livelihoods in both developing and developed countries. Edible insects are a promising alternative to the conventional production of meat, either for direct human consumption or for indirect use as feedstock. This publication will boost awareness of the many valuable roles that insects play in sustaining nature and human life, and it will stimulate debate on the expansion of the use of insects as food and feed.
